FAASTeam presents:

Omaha IMC Club

The IMC Club's purpose is to promote instrument flying, proficiency, and safety. The intent is to create a community of pilots willing to share information, provide recognition, foster communications, promote safety, and build proficiency in instrument flying. IMC Club chapters offer monthly meetings in which pilots can network and share knowledge and experiences.

Directions: Enter through the main entrance, proceed down the hallway to the right past the restrooms, then left into the main classroom.
