

AirVenture 2025 Forum - How to Talk to ATC

If you are unsure or nervous about talking to ATC, you're not alone! If you want to learn all the tips and tricks to safely operate in the national airspace system – VFR or IFR – so that you can make the most of the services available, come and hang out for this seminar! We will cover VFR flight following, filing flight plans, how to pick up and cancel IFR, how to file a PIREP, weather situations, ATC limitations, and much more!

WINGS credit available!

To receive WINGS credit fill out attendance sheet available at the Forum entrance.

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.
