

AirVenture 2025 Forum - Decision Making in a Crisis

Decision Making In A Crisis shows how the difference between success and failure lies in the critical principles developed through training and consistent application of risk management and aeronautical decision making techniques. As the Commanding Officer of USS Cole when terrorists attacked it, Lippold has developed a framework for getting the most from your flight preparation and abilities as a pilot.

WINGS credit available!

To receive WINGS credit fill out attendance sheet available at the Forum entrance.

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.
