

AirVenture 2025 Forum - Aircraft in Distress - A Pilots Perspective

This program discusses repair experiences and options that pilots have should their aircraft become disabled while flying beyond your local airport. The program also shares ideas and advice about properly maintaining your aircraft to avoid costly, unexpected repairs. Learn potential best practices to keep your aircraft flying and not in the shop.

WINGS credit available!

To receive WINGS credit fill out attendance sheet available at the Forum entrance.

The FAA Safety Center is centrally located on the EAA AirVenture grounds on the South side of the control tower. We are the large tan building with the rooftop deck facing the runway. Forums entrance is on the west side of the building.
