

SUN n FUN 2026 Forum - Was That For Us? Being Safe Around Runways

Do you like drama stories? We'll be telling a few real life ones about dangerous (yet common) mistakes that pilots make. Since some of them involve runway incursions, we'll talk about human factors while operating on the airport. Since some involve not complying with ATC instructions, we'll do a back-to-basics chat about pilot/controller communications and ATC phraseology. Listen, nobody likes staring at the ceiling at 2:00am because of a bad day at the airport. So join the Office of Runway Safety for an interactive discussion aimed at preventing you from having sleepless nights.

WINGS/AMT credit available!

The FAA Safety Center (aka "Orlando Field Office") is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. We are the large tan building with the rooftop deck. Forums entrance is on the west side of the building.
