

SUN n FUN 2026 Forum - The Fun and Challenges of Flying Seaplanes

This presentation will be an overview / review of basic seaplane operation techniques. The presentation is intended to provide an introduction to aspiring seaplane pilots as well as a review for experienced pilots. The presentation will focus on best practices and common errors associated with flight planning, water operations including takeoffs and landings and amphibious aircraft operations.

WINGS credit available!

To receive WINGS credit fill out attendance sheet available at the Forum entrance.

The FAA Safety Center (aka "Orlando Field Office") is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. We are the large tan building with the rooftop deck. Forums entrance is on the west side of the building.

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.
