

SUN n FUN 2026 Forum - Zero to 16 Degrees An AOA Story

The "Zero to 16 Degrees, An AOA Story" seminar provides a comprehensive overview of an often-underutilized technology that allows pilots to efficiently monitor lift margin via an AOA (Angle of Attack) display. Covering its historical origins, benefits and the technology it takes to connect instantly with every pilot based on decades of in-depth research, manufacturing and real-life pilot success stories passionately shared throughout this presentation. Sit back, smile and enjoy a better way to see the sky.

WINGS credit available!

To receive WINGS credit fill out attendance sheet available at the Forum entrance.

The FAA Safety Center (aka "Orlando Field Office") is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. We are the large tan building with the rooftop deck. Forums entrance is on the west side of the building.
