

Propellers and Protocols Drone Safety Day 2026

NEPA Drone invites recreational pilots, Part 107 operators, and community members to attend an educational UAS safety event focused on responsible flight and public awareness.

Topics include drone safety best practices, current technology, emergency response applications, FAA Part 107 compliance, building public trust, and live flight demonstrations.

A key focus is community awareness. Attendees will learn how drones operate within the National Airspace System, what regulations apply, and how responsible pilots protect safety, privacy, and public confidence.

Saturday, April 18, 2026
11 AM to 2 PM

Blakely Borough Recreational Complex Pavilion
Riverside Drive, Peckville PA
