

Helicopter Ditching and Egress / Evaluate - Prepare - Perform

This session will introduce essential questions to ask and answer when evaluating overwater risk. We'll discuss what passengers and crew can do to help ensure the best possible outcome prior to ditching, including the critical steps needed for a successful egress, the most common barriers to success, and how to overcome problems. The session will conclude with a review of important water survival skills and hypothermia mitigation.

Room B402 of the Georgia World Congress Center in Atlanta, GA

VERTICON 2026 Foundation Industry Presentations

There is a cost for this event. Attendees must register and pay for VERTICON attendance by visiting the VAI link below:
