

SFM IMC Club Monthly Meeting

This is the first meeting of the newly formed SFM IMC Club! This meeting is not meant as a lecture, but rather an open discussion forum using real world scenarios to increase your level of safety in the IFR environment. Our goal is to provide a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

Sanford Regional Airport is located on State Route 109, Sanford, Maine

A message from the National FAASTeam Manager
