

## Difficult Decisions - An AOPA Air Safety Institute Presentation

Whether you're deciding which way to enter a busy traffic pattern or how to deal with deteriorating weather, the safest option isn't always crystal clear. To help you make safer, more informed decisions, the AOPA Air Safety Institute seminar "Difficult Decisions" invites you to participate in two engaging scenarios from PilotWorkshops. Take this opportunity to discuss, compare, and debate the decision options for the flight situations presented in the scenarios. It's a great way to share aviation safety knowledge with AOPA Great Lakes Ambassador Andy Miller and your fellow attendees.

**Directions:** This seminar will take place in the terminal building of the Whiteside County Airport
