

VMC Club Pilot Safety for VFR Pilots

After a short video, members will discuss the scenario and how they would respond to the given situation. This is an open forum for free ideas and we all learn from shared experience! Both experienced and new pilots (and visitors) are welcome!

Directions: We meet at the EAA Chapter 22 Hangar. Look for the big EAA sign on the hangar, at the end of the row at the first right turn after the gate. If gate is closed, call 815-621-9142 for code.

If the ground is wet, please park on the drive or on a concrete surface.

Please Register to get WINGS credit for this event.

NOTICE: Pilots DO safety, so face masks and social distancing are strongly encouraged during these challenging times.

A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a cash prize. Go to www.mywingsinitiative.org for more info.
