

Aircraft Logbook Entries

This presentation compares the regulations for aircraft logbook entries to what is being discovered in the field. It is designed to help both the pilot and mechanic recognize and create good logbook entry.

Kirk is the 2024 FAASTeam Representative of the Year for the State of Michigan. He also serves as Chairman of the Board for the School of Missionary Aviation Technology (SMAT) in Ionia, MI, where he is an adjunct instructor.

This is a one-hour seminar.

Those flying in may park south of the terminal building; linemen will assist with parking aircraft. Those driving in should park in the west lot opposite the terminal building.

The events will be held in the south classroom on the second floor of the terminal building.

A message from the National FAASTeam Manager
