

The Truth About Aircraft Inspections

As a pilot owner, renter, student or instructor, do you know which inspections are required to be performed on your aircraft for it to be legal for flight? Tony Alfaya will be discussing the FAA requirements regarding 100-hour, Annual and Conformity Inspections, including the required logbook signoff that will keep your aircraft legal.

Directions: From the North, head South on US HWY 27 till you reach the crossroads of 27 and 98. Turn left, follow to the FBO, on your left.
From the South, head up US HWY 27 N past Lake Placid. Continue another 10 (+/-) miles. Turn right onto State Route 98, follow to the FBO near the end. The FBO is on your left.
