

FAA Safety and Standardization

Have you ever considered pursuing the Master Certified Flight Instructor (Master CFI) designation from the National Association of Flight Instructors (NAFI)? This seminar will center around key topics such as aviation safety, Crew Resource Management (CRM) and Aeronautical Decision-Making (ADM) principles, as well as best practices in modern flight training.

Our aim is to provide valuable insights for both aviation students and instructors, fostering their professional growth and enhancing the overall academic and training atmosphere. We envision this as embodying the FAA Safety Mindset: Lessons from a Master CFI. We can see it as the FAA Safety Mindset: Lessons from a Master CFI, and the FAA Safety and Standardization: Modern Strategies from a Master CFI.

If you are on I-95, exit Pembroke Pines Blvd. WEST. Then left into Broward College, around all the parking lots until the LAST building, that would be Number 66.

Event Details

Tue, Feb 17, 2026 at 18:00 EST

Broward College South Campus

7200 Pines Blvd. Pembroke Pines,
FL

Building 66, room 139/156

Hollywood, FL
