

# Look Listen FOCUS

LIVES  
ARE AT  
STAKE!

- **IT CAN HAPPEN TO YOU:** When operating at unfamiliar airports, you may accidentally cross a hold short line.
- **THE FIX:** Ask for progressive taxi instructions - ATC is there to help! Always have the airport diagram available and reference it when writing down clearance instructions. Be sure to brief hot spots while on the ramp and verbalize your taxi route out loud, even if you're by yourself, to help commit it to memory.
