## Practical Test Activities

**Did you know that each time you earn a pilot certificate or rating, you also qualify for a *WINGS* Pilot Proficiency Award?**

That's right! After successful completion of your practical test, simply ask your Designee or CFI to validate your success by providing the information for the appropriate *WINGS* activities from the activities listed below.

**Follow these steps to get started:**

1) Scan the QR Code for the associated activity on these pages or use the link listed for each activity

2) Click on [ Request Credit! ]

3) Log in with your user account or register as a user with the link provided.

4) Once logged in, You will be asked to provide the date of completion of the activity and to select a validator. Follow directions on the Website.

Need Help? Contact your local *WINGS*Pro for assistance.

The next step is up to your CFI or designee to validate the request. Validators do not have to be WINGS users or account holders. The WINGS system was designed to accommodate validation by asking your validator a few questions and done!
